What a joyful way to begin this month, as we celebrated together the ordination of The Revd Pamela Parr. The service was slightly delayed by an accident on the motorway, but it did not affect the occasion itself.

During our Wednesday midweek service at St Luke's, on the day before Pam set off on her ordination retreat, we prayed a blessing for her, and I share the words of that with you now on the opposite page.

It is a time of year when we consider endings and new beginnings, end of the academic year, there are many students who are moving on and moving up.

So we pray this blessing for Pam, for all who are facing a new beginning and for our churches as we welcome Pam in her new role amongst us.

With Blessings

Rev Anne

FOR A NEW BEGINNING

John O'Donohue

In out-of-the-way places of the heart,
Where your thoughts never think to wander,
This beginning has been quietly forming,
Waiting until you were ready to emerge.

For a long time it has watched your desire,
Feeling the emptiness growing inside you,
Noticing how you willed yourself on,
Still unable to leave what you had outgrown.

It watched you play with the seduction of safety
And the gray promises that sameness whispered,
Heard the waves of turmoil rise and relent,
Wondered would you always live like this.

Then the delight, when your courage kindled,
And out you stepped onto new ground,
Your eyes young again with energy and dream,
A path of plenitude opening before you.

Though your destination is not yet clear
You can trust the promise of this opening;
Unfurl yourself into the grace of beginning
That is at one with your life's desire.

Awaken your spirit to adventure;
Hold nothing back, learn to find ease in risk;
Soon you will home in a new rhythm,
For your soul senses the world that awaits you.

SCOTT BROTHERS DUO

at Rochdale Parish Church of St Chad

PREVIEW by Steve Cooke

A wonderful opportunity to experience high class music in an iconic setting.

Acclaimed keyboard duo Scott Brothers Duo present a piano duet concert at Rochdale Parish Church, St Chad's, which covers the entire keyboard spectrum with thrilling music for four hands at one piano. The programme includes original works as well as thrilling transcriptions of well-known classics, including Handel's Arrival of the Queen of Sheba and the Adagio from Rachmaninoff's Piano Concerto No. 2.

Brothers Jonathan and Tom perform internationally in instrumental combinations which cover the entire keyboard spectrum, including Piano Duet, Piano & Organ, and Harmonium & Piano. Their online performance videos have totalled over 65 million views.

Recent and forthcoming performances include concerts across the UK, as well as Spain, France, Germany, Sweden, Belgium, Norway, Latvia, Romania, Poland, Switzerland, Taiwan, and Singapore.

In 2019 Scott Brothers Duo won the ECHO (European Cities of Historical Organs) competition to create a performance which introduces the pipe organ to a young audience. Their project combines animation and organ music and will be performed at major festivals across Europe. In 2023, they were invited by the Royal Canadian College of Organists (Launchpad Series) to film a special online presentation in Montreal, Canada about their career.

Born in Manchester, Jonathan and Tom both studied at Chetham's School of Music and at the Royal Northern College of Music (RNCM).

Tom read Music on the joint course at The University of Manchester, gained the Sir Thomas Beecham Medal for Excellence in his degree, and achieved a distinction in his Masters degree.

He made his concerto debut with the Hallé Orchestra, aged 17, with Prokofiev's Piano Concerto No.1 at The Bridgewater Hall, Manchester.

Tom is also a keen artist and animator and creates animations to accompany live classical concerts. This has led to many exciting projects (including commissions by the BBC) and concert performances with orchestras and ensembles worldwide (Canada, USA, Taiwan and Australia).

As a composer, Tom's work ranges from instrumental to acousmatic compositions and audio/visual works, and his music has been performed across Europe and USA. He completed his PhD in electroacoustic composition at The University Of Manchester (supported by AHRC funding).
